MEMORANDUM FOR: The Director ,
FROM: Dave Grie [REDACTED]
SUBJECT: Congressional developments in your absence

25X1

The recess ended for both Houses yesterday. They will remain in session until approximately 15 August.

Our most pressing issue is the Diplomatic Security Act. I have an appointment with you on Wednesday at 10:15 to explain some phone calls that you need to make to several chairmen.

25X1

I wrote letters to Durenberger, Leahy, Hamilton and Stump regarding the accelerated rate of retirements that we are observing as a consequence of tax bill treatment of pension contributions. We are not mounting a major campaign, but want the committees to know what is happening.

I believe Bob Gates has left you a note about the personnel hearing scheduled for 23 July. He proposes that you be the witness and use the opportunity to forewarn SSCI about some of the significant changes we are considering for our current General Schedule pay system. It may also be necessary for you to be the principal witness at a 6 August hearing on intelligence requirements for overhead reconnaissance.

OCA had a successful off-site conference on 10 and 11 July. Ken Duberstein gave a superior presentation on how to work the Hill. Thank you for inviting him on our behalf.
